

Hume Anglican Grammar, an independent, multi-campus, co-educational and Anglican Diocesan School offering education from Prep to Year 12 in the Northern growth corridor of Melbourne calls for:

Head of Campus

Two Positions

Due to ongoing growth and success, Hume Anglican Grammar seeks to fill two newly created positions; Head of Campus, one each for the Donnybrook and Mickleham campuses.

The Mickleham campus was established in 2011 and will be at its enrolment capacity of 1,428 students from P-12 in 2025. Located on picturesque Mt Ridley, this 10-hectare site has a Primary and Secondary school with Performing Arts Centre, two playing fields, double-court Sports Centre, STEM Centre and Visual Arts Centre. The Donnybrook campus, opened in 2019, will see an enrolment of 1,008 next year, growing to 1,596 by 2029. This P-12 campus will offer up to Year 9 in 2025, experiencing rapid development and seeing the Visual Arts Centre open this year and the STEM Centre well under construction. With an already established Primary school, growth will focus on the Secondary school and additional specialist facilities as it reaches Year 12 in 2028.

Hume is one of Victoria's fastest growing schools, and next year is projected to have over 2,900 students on three campuses. In 2029, the School will reach its capacity of 3,612 students with over 350 staff, and is expected to be one of the largest non-government schools in the State. Hume provides its students with an education that prepares them for the challenges of life, equips them to contribute to the community in an environment based on Christian values and at a cost affordable to as many families as possible. By establishing high standards in all that we do, every student is encouraged and supported to discover and fulfil their unique potential.

Commencing in 2025, Hume seeks experienced, qualified and exceptional educational leaders who have demonstrated strategic experience in driving superior performance, creating and maintaining a values-based caring and positive culture, leading a learning community, and are expert communicators. The Head of Campus reports to the Principal and is a member of the Senior Leadership Team. Each has, as their significant reports, a Head of Primary and a Head of Secondary, as well as a Personal Assistant to support them with their duties.
